# Quality Assurance

**TexStyle Source Limited**, we are committed to delivering products of impeccable quality within the agreed timelines. To ensure this, we implement a comprehensive quality assurance process, conducting inspections at every critical stage of production. Our key quality assurance measures include:

1. **100% inspection for premium orders to guarantee flawless results.**
2. **Fabric inspection using the 4-point and 10-point systems to identify and address any inconsistencies early.**
3. **Initial, midline, and pre-final inspections monitor quality throughout the production process.**
4. **Final inspection in compliance with clients' AQL levels and quality standards.**

Additionally, we create a **customized internal quality manual and SOP for** each client, ensuring meticulous follow-up and alignment with their specific requirements. Our dedication to these practices reflects our unwavering commitment to excellence and customer satisfaction.

# Sustainable Apparel Sourcing

**TexStyle Source Limited**, we are committed to redefining apparel sourcing with sustainability at the core of our operations. We ensure that every step of the sourcing process aligns with ethical and environmental standards, empowering our customers to make responsible choices without compromising on quality or style.

## Our Approach to Sustainable Apparel Sourcing:

### 1. Eco-Friendly Materials

We prioritize sourcing raw materials that have minimal environmental impact, including organic cotton, recycled fabrics, and eco-friendly dyes, ensuring a greener supply chain.

### 2. Ethical Manufacturing

Our partner factories adhere to strict labor laws and ethical standards, providing safe and fair working conditions. We work only with certified manufacturers who uphold sustainability and social responsibility.

### 3. Efficient Production Processes

By implementing advanced production techniques, we minimize waste and energy consumption, reducing the overall carbon footprint of the garments we deliver.

### 4. Continuous Improvement

Sustainability is an ongoing journey. We consistently evaluate and improve our practices, staying ahead of industry standards and innovating for a more sustainable future.

By choosing **TexStyle Source Limited**, you partner with a company dedicated to sustainable apparel sourcing, and production to ensuring not only exceptional garments but also a positive impact on the planet and the communities involved. Together, let's shape a future where fashion and sustainability go hand in hand.

# Compliance Policy

**TexStyle Source Limited**, We are deeply committed to upholding ethical, legal, and social standards in every aspect of our sourcing and manufacturing processes. Our Compliance Policy reflects our dedication to ensuring a responsible, transparent, and trustworthy supply chain that meets the highest global benchmarks

## Our Compliance Policy Highlights:

- 1. Adherence to Labor Laws**  
We strictly comply with local and international labor laws, ensuring that all workers in our partner factories are treated with dignity and respect. This includes fair wages, reasonable working hours, and a safe working environment.
- 2. Child and Forced Labor Prohibition**  
We have a zero-tolerance policy for child labor or forced labor in our supply chain. All our partner factories are thoroughly vetted to ensure they strictly adhere to these standards.
- 3. Health and Safety Standards**  
Our partner facilities follow robust health and safety protocols, providing safe working conditions, proper training, and access to essential protective equipment.
- 4. Environmental Compliance**  
In line with our commitment to sustainability, we ensure our partners meet environmental compliance regulations, including waste management, energy efficiency, and the use of eco-friendly materials and processes.
- 5. Transparency and Audits**  
We conduct regular audits and assessments to monitor compliance across our supply chain. we provide our customers with detailed compliance reports upon request.
- 6. Partnership with Certified Manufacturers**  
We collaborate only with factories and suppliers that hold globally recognized certifications such as BSCI, WRAP, SEDEX, or ISO,
- 7. Continuous Training and Improvement**  
We actively engage with our partners to provide training on compliance standards and ethical practices,
